

**The Clark eNews Special Edition**

Dear Clark eNews Subscriber:

Clark High School has been recognized for its academic achievements by the Texas Business and Education Coalition (TBEC). This is the second time in three years that Clark earned TBEC Honor Roll status. This prestigious award was granted to only 385 of Texas' 8100 schools in 2007. To be considered for the Honor Roll a school must achieve academic excellence over a period of years.

Information on TBEC and the criteria to be named an Honor Roll school is provided in the attachment.

Congratulaions to the students, parents, and staff of Clark High School on their continued dedication and commitment to educational excellence.
