SYLLABUS

This calendar of activities will help students keep up with daily assignments. It should be referred to daily, and notations should be made regarding any changes announced by the teacher.

GRADES

Your grades are YOUR responsibility! Be concerned about your grades each week of the six weeks period.

TUTORING

Tutoring will be offered by appointment with each individual teacher. Students should let their teacher know what they need to review before the session.

MAKE-UP WORK

The policy of make-up work at PSHS is that a student is allowed one day to make up an assignment for every day the student is absent. If a student misses a quiz or test, the make-up session will be before school, after school, and during both lunches—**subject to teacher discretion**. However, if a student misses a class due to a school-sponsored event, he is required to be caught up with the work on the day he returns to class. **All work is the responsibility of the student.**
