

National Honor Society

Welcome to Plano Senior High School!

National Honor Society is founded on the qualities of Scholarship, Service, Character, and Leadership. We support a wide range of school and community endeavors, including tutoring students from elementary through senior high school levels. Christina Wiswell, PSHS Counselor, is the sponsor. Each member is required to attend a general information meeting at which time the \$10 annual dues will be paid. Each member must contribute at least ten hours of personal service and participate in at least four NHS-sponsored projects per semester. More information may be found on our website:
