

Shaunteé Carpenter

Hello to all. I am so excited to have the opportunity to work with such an amazing group of students and impeccable staff for the second year of my education career. Just a few tidbits about me...I was born in California, but raised a southern girl. With the support and blessings of a wonderful family, I graduated from the University of Texas at Arlington in 2003 and finally found myself in the education field a few years later. I began my teaching career in December of 2006, when I obtained a position as a long-term substitute for Plano ISD, and was later warmly welcomed as a member of the Bethany family. I am truly blessed with an incredible family, which includes my husband of three years and two beautiful girls. Thank you for sharing the children you love with us and for giving me the opportunity to teach them to love learning.
