

Debi Hanson

Kindergarten is a magical place to be. Being a kindergarten teacher puts a smile on my face and being in my classroom everyday makes me happy!

I am fulfilling a childhood dream by being a teacher. I have been teaching for 22 years and 19 of those years were in 5th grade.

I began my teaching career in Richardson ISD, and then took some time off to stay at home with my 3 children, now 28, 24 and 21. I returned to teaching in 1994 and began the second part of my teaching career in Plano ISD. I was previously at Hedgcoxe, Mathews and after taking the 05-06 year off, I made my way back to teaching and Bethany Elementary.

In my spare time, I love to read, workout, scrapbook and I really like watching reality television. I also enjoy attending plays, musicals and spending time with friends. I love being a teacher! Bethany Bears Rock!
