

Jamie McClendon

It's hard to believe that I am about to embark on my 16th year serving in the field of Education. Eleven of those wonderful years spent as a "Bulldog" in the Bethany Bunch.

I was born in West Monroe, Louisiana but my family relocated to a small town outside of Beaumont, Texas when I was very little. I consider myself a born and raised Texan because Texas is all I have ever known. I graduated from Lamar University with my Bachelor of Science degree in Elementary Education with a specialization in Early Childhood Education. I have since earned certifications in Special Education and the Plano Gifted and Talented program. I was honored to be named the 2007 Teacher of the year at Bethany and in 2008 became a lifetime PTA member. I am now beginning my 7th year as the 4th grade Team Leader.

My husband and I live in Allen with our almost 8 year old son, almost 3 year old daughter and last but not least Jasmine the cat. We enjoy spending time with our friends, family, traveling and watching college football (GO HOGS!).

I LOVE teaching and I LOVE kids! I can still recall playing school as a child and wanting to grow up to be a teacher. This profession brings me such joy and I feel so blessed to be able to live out my childhood dreams here at Bethany.
