

Carolyn Perich

Hi. I am Carolyn Perich, Speech Language Pathologist at Bethany Elementary. I have worked in Plano ISD many years. I enjoy working with children. I believe teachers get the best from their students when they give the best of themselves. I believe all children should be treated with respect and dignity. I am excited to be at Bethany and work with students, teachers and parents together as a team to meet the children's needs.

I received my B.A. at Baylor University in communication disorders. I received my M.S. at Texas Woman's University in speech pathology.
