

Laura Shockey

I feel very blessed to be teaching third grade at Bethany Elementary. What a fun job! It is certainly never dull! It is such a joy to meet and get to know so many children in the community, and to watch them learn and grow.

I have thirteen years of teaching experience. I taught 5th grade at Mathews Elementary in Plano for eleven years. Then when my boys were born I stayed home for four years. Two years ago, I returned to teaching and experienced two fun-filled years of teaching Kindergarten at Bethany. I found it to be such a rewarding experience. This year I am excited to join the third grade team.

My family is very important to me. I have a wonderful and very supportive husband of 20 years who was also my high school sweetheart. I have two precious boys. I have a 9 year old son who attends 4th grade at Bethany, and I have a 4 year old son who will have to wait one more year before he becomes a Bethany Bear.

In my spare time I enjoy reading, scrapbooking, traveling to our lake house, camping, playing with my boys, and spending time with friends and family.

It is an honor to teach your children at Bethany. I look forward to a wonderful year!
