

Plano ISD Early Childhood Schools

Plano ISD offers a number of programs for preschool children:

Tuition-Supported Community Prekindergarten

Children who are three years old or four years old on or before September 1st and who do not qualify for either the Preschool Program for Children with Disabilities or the State-Funded Prekindergarten are eligible to enroll in the Tuition-Supported Prekindergarten Program. Students may attend 3 days or 5 days a week. Parents are responsible for providing transportation to this program. Contact any of our Early Childhood Campuses for registration information.

Preschool Program for Children with Disabilities (PPCD)

PPCD is a special education program that serves children between the ages of three to five who have delays in the areas of speech, language, physical, social and/or emotional development. Bilingual (Spanish) classrooms are provided when necessary. The amount of time and type of services provided are determined by an Individual Education Program (IEP) committee. Eligible students attend this program at no cost to the family and transportation is provided by the district. Students are eligible for services on their third birthday.

State-Funded Prekindergarten Program

The state-mandated prekindergarten program serves children who are four years of age on or before September 1 and who are limited-English speaking, homeless, from families that qualify for free or reduced lunch, or military dependents. The program serves Spanish and Chinese bilingual children and other English Language Learners. Eligible students attend this program at no cost to the family and transportation is provided by the district. If you believe your child may be eligible for this program based on limited English proficiency, take your child to the Shiloh Center at 3540 East 14th Street, Plano, Monday–Friday, from 8:00 to 11:30 or 1:00 to 4:30, for language assessment.
