

<b><u>Agriculture, Food &amp; Natural Resources</u></b>
Agricultural Mechanics & Metal Technologies
Equine Science
Horticulture Science
Landscape Design & Management
Livestock Production
Principles of Agriculture, Food & Natural Resources
Floral Design <i>(Fine Arts credit)</i>
Floral Design II (Advanced Floral Design)
Professional Standards in Agribusiness
Small Animal Management
Turf Grass Management
Wildlife, Fisheries & Ecology Management
Veterinary Medical Applications
Practicum in Ag Sci (Veterinary Medical Assistant II)
Practicum in Ag Sci (Floral Design)
<b><u>Architecture &amp; Construction</u></b>
Architectural Design I
Architectural Design II
Interior Design I
<b><u>Arts, A/V Technology &amp; Communications</u></b>
Audio Video Production I
Audio Video Production II and Lab
Fashion Design I
Fashion Design II and Lab
Graphic Design & Illustration I and Lab
Graphic Design & Illustration II and Lab
Professional Communications
Video Game Design
<b><u>Business, Management &amp; Administration</u></b>
Touch System Data Entry (Keyboarding)
Principles of Business, Marketing & Finance
Business Information Management
Business Law
Global Business
Virtual Business
<b><u>Education &amp; Training</u></b>
Instructional Practices
Practicum in Education & Training
<b><u>Finance</u></b>
Principles of Business, Marketing & Finance
Accounting I
Accounting II <i>(Math credit)</i>
<b><u>Health Science</u></b>
Medical Terminology
Principles of Health Science <i>(includes Health requirement)</i>
Pharmacology
Health Science Theory and Clinical (Clinical Rotation I)
Practicum in Health Science I (Clinical Rotation II)
World Health Research
Anatomy & Physiology <i>(Science credit)</i>

<b><u>Hospitality &amp; Tourism</u></b>
Principles of Hospitality & Tourism
Food Science <i>(Science credit)</i>
Introduction to Culinary Arts
Culinary Arts
Practicum in Culinary Arts
<b><u>Human Services</u></b>
Principles of Human Services
Child Development
Dollars and Sense
Interpersonal Studies
Lifetime Nutrition and Wellness
<b><u>Information Technology</u></b>
Digital Media
Internetworking Technologies I (Cisco I & II)
Internetworking Technologies II (Cisco III & IV)
Principles of Information Technology
<b><u>Law, Public Safety, Corrections &amp; Security</u></b>
Principles of Law, Public Safety, Corrections & Security
Law Enforcement I
Forensic Science <i>(Science credit)</i>
<b><u>Marketing, Sales &amp; Service</u></b>
Principles of Business, Marketing & Finance
Entrepreneurship
Fashion Marketing
Sports and Entertainment Marketing
Social Media Marketing
Practicum in Marketing/Extended Practicum in Marketing
<b><u>Manufacturing</u></b>
Welding
<b><u>Science, Technology, Engineering &amp; Mathematics</u></b>
Gateway To Technology (PLTW) <i>(Middle School 8th only, HS credit)</i>
Introduction to Engineering Design (PLTW)
Engineering Science (PLTW) (formerly POE) <i>(Science credit)</i>
Digital Electronics (PLTW) <i>(Math credit)</i>
Aerospace Engineering (PLTW)
Engineering Design & Development (PLTW)
Engineering Design & Presentation I (Drafting)
Engineering Design & Problem Solving <i>(Science credit)</i>
Scientific Research and Design (Honors) <i>(Science credit)</i>
<b><u>Transportation, Distribution &amp; Logistics</u></b>
Automotive Technology I: Maintenance and Light Repair
Automotive Technology II: Automotive Service
Collision Repair
Paint & Refinishing
<b><u>Chapter 127. CTE - High School</u></b>
Career Preparation I
Career Preparation II
Problems and Solutions
<b><u>Chapter 127. CTE - Middle School</u></b>
Life and College Readiness (7 <sup>th</sup> /8 <sup>th</sup> )
Skills and Career Readiness (7 <sup>th</sup> /8 <sup>th</sup> )
Exploring Information & Computer Technology (7 <sup>th</sup> /8 <sup>th</sup> )
Investigating AV, Arts & Communications (7 <sup>th</sup> /8 <sup>th</sup> )

Courses may not be offered on all campuses. Check with campus counseling department.

Digital Design & Media Production
Web Design
