

## Accessing Electronic Books at the Elementary Level *For further instruction, please see your school librarian.*

1. Type <http://k-12.pisd.edu/library.html> for a list of all the school libraries.
2. Select your school from the list on the left.
3. Select the Electronic Books tab.

4. When this screen opens, explore the books and activities by selecting an oval.

5. If you select Story Books a window will open with available storybooks. You can change the view to suit yourself. When you decide on a book to try, click on the cover.
