Donations

Financially, our PTSA sponsors many programs and activities for our students, classrooms, and staff. We are the Booster Club for academics! With the budget cuts from the state, your support this year is vital to assuring our classrooms and teachers continue to have the resources they think is necessary to continue providing the exceptional education our students receive. Our PTSA does not participate in traditional fundraisers. Instead we rely solely on the donations of our parents and the community. **Please consider if your family can make a tax deductible donation to the PSHS PTSA.**
