

Erin Fleming

"Knowledge is power, attitude is everything!"

As a native Planonian, I was educated in the East cluster of the Plano Independent School District from Kindergarten through twelfth grade. I dreamed early on of becoming an educator. As a graduate of the University of North Texas, with a Bachelor's Degree in Elementary Education, I achieved that goal. I am an alumni member of Chi Omega sorority and enjoy volunteering for the Collin County Children's Advocacy Center. I am looking forward to a wonderful year as part of the Bethany Bunch and I am so excited to call myself a Bulldog. I am also proud to represent the PISD as an educator, and I hope to influence the lives of many children along the way.

I hope to maintain a classroom environment that is welcoming and enjoyable. My mission is to continually stimulate the learning process. I believe that learning is fun and, as a teacher, I hope to ensure that my students are actively engaged in learning both in and out of the classroom. My philosophy is to create and maintain an atmosphere of safety, respect for others ideas and community.
