

Jamie McClendon

It's hard to believe that I am about to embark on my 11th year serving in the field of Education. Seven of those wonderful years have been as a Bulldog of the Bethany Bunch.

I was born in West Monroe, Louisiana but moved as a small child to a town outside of Beaumont, Texas. I like to think of myself as a "born and raised" Texan because living in Texas is all that I can remember. I attended Lamar University and earned my Bachelor of Science in Elementary Education with a specialization in Early Childhood Education. Later, I obtained my certification in Special Education. I am now beginning my second year as the 4th grade Team Leader.

My husband and I live in Allen with our precious "almost 3" year old son and cat Jasmine. We enjoy spending time with family and friends, traveling, watching College football (GO HOGS) and cheering on the Dallas Mavericks. 😊

I LOVE teaching and I LOVE kids! I can remember playing school as a child and longing for the day that I could become a teacher. This profession brings me such joy and I feel so blessed to be able to live out my childhood dream here at Bethany.
