ABOUT TO START DRIVING?

Students will need a VOE (TEA) form when starting Driver's Ed and any time they go to the DPS until they are eighteen years old.

Please sign up in the front office several days before you need a VOE form. Completed VOE forms will be ready on Wednesdays and Fridays beginning at lunch time. They may be picked up in the front office at lunch time and after school.

19. ATTENDANCE

State law requires that students attend each class 90% of each semester in order to receive credit. More than eight absences in the fall semester or ten absences in the spring semester (excused or unexcused) may result in make-up time being assigned or credit being denied in that class. The Department of Public Safety requires an attendance verification form reflecting concurrence with state attendance law from your school to get a driver's license or a provisional driving permit. If you have any questions, please contact the attendance clerk or one of the administrators.

Absences will be recorded as Unexcused until the student brings in a parent note when he/she returns to school following the absence, even if the parent phoned the school to report the absence. **EMAILS WILL NOT BE ACCEPTED IN PLACE OF A NOTE CONTAINING A PARENT'S SIGNATURE.**

If your child is sick -

Call 469-752-7200 and press option 3 to report the absence. Leave a message with your child's name, Student ID#, your name and reason for absence. Make sure that your child brings in an absence note to the attendance office upon their return. All absence notes must be turned in within three (3) days of the student's return.

If your child is late for school -

If your child is late due to a doctor's appointment, please have him/her bring in a note from the doctor's office. If your child is late due to illness, please send him/her in with a note stating that he/she was ill. Please note that three tardies are the equal to one unexcused absence.

If your child needs to leave school early for an appointment -

Write a note and have your child give it to the attendance office in the morning. The note should state the time that your child must leave school, a number we can call to confirm the note and the reason that they are leaving early.

If your child is leaving school early or will miss time due to travel plans –

You must submit a note at least 5 school days prior to the absence.

Attendance questions are welcome anytime- call 469 752 7204 and ask for Carol or Helen.
