

# CLASSROOM PRESENTATIONS

You can schedule a classroom presentation by Science Learning Center staff by contacting Tammy Welch between 8:00 a.m. and 4:30 p.m., Monday - Friday.

**Phone:** (469) 752-1193  
**E-mail:** twelch@pisd.edu

Presentations are approximately 30 minutes in duration. The optimal times for scheduling are mid-morning and early afternoon, but some exceptions can be made.

Some of the topics listed in this brochure are grade level specific and only available during a certain semester. Many of them can be adapted to the targeted audience. Other topics, not listed here, are available upon request.

If your plans should ever change, please notify us as soon as possible. Thank you!
