October 2009

Dear Parent(s):

On behalf of the Board of Trustees and administration of the Plano Independent School District, I am pleased to introduce to you the International Baccalaureate Program. This internationally recognized program prepares students for the most competitive college environments while developing a genuine love of learning. Our district began this prestigious program at Plano East Senior High School in the fall of 1995.

The Clark High School and Williams High School International Honors Programs for grades 9 and 10 and the Plano East Senior High School International Baccalaureate Program for grades 11 and 12 are for those students interested in a rigorous, academically challenging curriculum. We are encouraging our current eighth-grade students and their parents to examine the program closely to see if it appropriately meets their educational goals and objectives.

I invite you to take advantage of the opportunity to learn more about the International Baccalaureate Program by coming to our information session. This informational session will be held in the Plano East Senior High School Theatre (3000 Los Rios Blvd.) on Tuesday, October 27th, from 6:30PM –8:00 PM.

Sincerely,

A handwritten signature in black ink that reads "Douglas W. Otto".
