

## December Homework Calendar

A great idea from a kindergarten parent: Keep a journal at home of each activity.

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1					
Week 2	<p>Read for 20 minutes (question as you read). Sort coins and describe how you sorted.</p>	<p>Read for 20 minutes (question as you read). Practice counting to 100 and writing numbers to 20.</p>	<p>Read for 20 minutes (question as you read). Write what you did at school today using complete sentences.</p>	<p>Read for 20 minutes (question as you read). Draw a picture of you and your best friend. Write a sentence about your friendship.</p>	<p>Read for 20 minutes (question as you read). Think of 5 words that rhyme with "me" and write them.</p>
Week 3	<p>Read for 20 minutes (question as you read). Parent will read the sentence word for word and student will write each word. Sentence = "Apples are crunchy and tasty."</p>	<p>Read for 20 minutes (question as you read). Draw a picture of something tall, medium, and short.</p>	<p>Read for 20 minutes (question as you read). Make a card for someone special.</p>	<p>Read for 20 minutes (question as you read). How many green foods can you name? Make a list.</p>	<p>Read for 20 minutes (question as you read). Look at your baby pictures. Write and/or discuss how you have <u>changed</u>.</p>
Week 4	<p>Read for 20 minutes (question as you read). Sort the laundry. Describe how you sorted. Sort it another way.</p>	<p>Read for 20 minutes (question as you read). What color is a polar bear? Why?</p>	<p>Read for 20 minutes (question as you read). Sort t-shirts. Describe how you sorted them.</p>	<p>Read for 20 minutes (question as you read). Discuss the setting (where), characters (who), problem, and solution.</p>	<p>Read for 20 minutes. Use coins or cereal to solve the problem: "There were 15 bears and 3 caves. If you put the same amount in each cave, how many bears will be in each cave?"</p>
