

Technology Plan Update
Discussion Questions

1. What technology resources do you use at home that would be helpful to also have available at school?
2. What school projects involving technology tools did you enjoy completing?
3. What handheld computer/communication devices do you use regularly? Would having access to any of them at school be beneficial? If so, in what way?
4. How would having access to school network resources from home (remote access via the Internet) be helpful?
5. Are you aware of the Plano ISD eSchool program? What benefits or drawbacks do you see in taking courses online?
6. What activities would you like to accomplish in the classroom that you can't currently complete?

The current Plano ISD technology plan is at <http://k-12.pisd.edu/techs/TechPlan2000.pdf> for your review.
