TEA/VOE FORMS – Required for Driver’s License

In the State of Texas it is a privilege to drive if you are under the age of 18. The privilege comes with attending school.

If your student needs a VOE form to renew or get their license, they can sign up in their sub school in the morning and pick it up in the afternoon. Parents, please let your students take care of this responsibility. These forms are valid for 30 days from the day issued. Forms issued in May are valid for the summer.

Students who do not do this before the end of school can get one at the Summer School office starting June 14.

Summer School offices will be open: June 14 – July 3 and July 9 - July 26.

Starting July 30 through August 24 VOEs can be acquired from the Registrar.
